

REMARKS

The present amendment is being submitted with the filing of a divisional patent application and therefore cancels the claims that are currently being prosecuted in the parent application and making certain corrective amendment to the claims presented in this application.

Accordingly, the claims in this divisional application are claims 1-6 and 13-16 of the parent application and an examination on the merits of the present claims is respectfully solicited.

Respectfully submitted:

A handwritten signature in black ink, appearing to read 'Roger M. Rathbun', is written over a large, loopy circular flourish.
